

SCHOOL VOLUNTARY CONTRIBUTIONS & CHARGES 2021

Dear Parents/Guardians,

The Kalgoorlie School of the Air School Council have approved our schedule of Contributions and Charges for 2021 in accordance with the School Education Regulations 2000 as a part of the School Education Act 1999. This schedule is designed to provide you with information about anticipated costs that may occur throughout the coming school year and allow you time for forward planning of the likely outlays.

The schedule is made up of the following four areas:

1. VOLUNTRY CONTRIBUTIONS (see over page)

Contributions are voluntary and have been set at \$60.00 per child. This represents an important revenue source and supplements school expenditure in the areas listed over the page. While contributions are voluntary, the quality of our learning programs will be maximised when all families contribute.

2. CHARGES FOR CAMPS (see over page)

To ensure we are able to facilitate camps and extra opportunities for the students, we request that the amounts detailed in the Charges and paid to the school before the event to ensure we can successfully execute each camp.

3. PERSONAL ITEMS (REQUIREMENT) LIST (see requirements list)

Each student will receive a personal items list which the families will need to source for their child.

4. P&C CONTRIBUTION

Each year the P&C requests a voluntary payment from families which helps provide much needed resources for the school. The amount is \$60.00 per family. Payments can be made directly to the school.

5. Other Voluntary Approved Requests

The level of voluntary request has also been approved by the School Council in November 2020:

1. \$75.00 Library Fund per student; and
2. \$75.00 ICT Fund per family.

If families have difficulties paying any contributions and charges, camp costs, etc. they can discuss this with the Principal to make alternative arrangements as it is the school endeavor to "Seek the Best" for each student.

Kind Regards,

Elizabeth Jansen van vuuren
Principal
