

SCHOOL OF THE AIR NETWORK
CLIENT USER AGREEMENT

The following are the terms and conditions on which the computer and associated equipment (**Computer**) and Internet access (**Internet**) are being provided to your household:

- The Computer is the property of the Department of Education
- You must take reasonable care of the Computer
- If the Computer is not working properly, or is damaged or destroyed, you must notify the school as soon as possible
- The computer should only be used in accordance with the operating manuals provided with it
- The computer and the Internet may only be used for educational use – business use is not allowed
- You must exercise reasonable parental supervision of your child’s / children’s use of the Computer and the Internet
- You must comply with the Department’s Internet use policy and must ensure that your child / children do likewise. The Internet Policy can be found on the Department of Education website. Please contact our office if you require a copy
- You must ensure that your child / children do not access any illegal or offensive websites on the Internet, in particular pornographic sites. The Department’s decision on what constitutes an illegal or offensive website is final. The police will be notified if illegal use is suspected
- Internet gambling is not allowed
- The Department may remotely monitor your use and your child’s / children’s use of the Computer and the Internet
- All information stores on the Computer’s hard drive may be accessed by the Department
- You must not install illegal programmes or software on the Computer
- You must not delete or modify programmes or software which have been pre-installed on the Computer by the Department
- The Department may modify, remove or replace any and all programmes or software on the Computer at any time
- In no circumstances is the Department responsible for loss or corruption of any data stored on the Computer
- Failure to comply with these conditions may result in your and your child’s / children’s use of the Computer or Internet being temporarily or permanently withdrawn

Your agreement to the Terms and Conditions as Parent / Guardian of the student is required for the computer and associated equipment and Internet access to be provided to your household.

I am the Parent / Guardian and agree to the Terms and Conditions described above.
